

BESPOKE
STAIRLIFTS LTD.

MAKE YOUR HOME YOUR OWN

Bespoke Stairlifts don't make stairlifts for those who can't, our products are made for those who can.

Needing help to climb your stairs shouldn't be a concern, Bespoke Stairlifts products are helping those who want to live their life like they always have.

Enjoying the freedom of their own home whatever life throws at them.

WHICH TYPE OF STAIRLIFT DO YOU REQUIRE?

Below shows two typical staircase types to help you determine which stairlift would be suitable for you and your home.

STRAIGHT

A typical straight staircase leads up to the next floor without any middle landings.

THE SYNERGY STRAIGHT Page 04

CURVED

A curved staircase has a straight set of steps leading to a landing and then additional steps leading onto the next floor.

THE SYNERGY

The **Bespoke** straight stairlift
simple in its operation yet detailed in design

The Synergy's compact design has a host of hidden features allowing you to reclaim your independence at home.

Straight staircases shouldn't stop you enjoying your home.

The Synergy is a simple to use stairlift that can transform your day-to-day life.

SYNERGY

ROOM FOR OTHER USERS

The Synergy leaves as much space as possible on the stairs for other users.

The chair and footrest folds neatly against the wall allowing other stair users easy access.

A woman with blonde hair, wearing a light pink cardigan and light blue trousers, is sitting on a white Synergy stairlift. She is smiling and looking upwards. The stairlift is positioned on a carpeted staircase with a dark metal handrail. The background is a plain, light-colored wall.

ONE OF THE WORLD'S **SLIMMEST** STAIRLIFTS

The Synergy uses one of the slimmest rails in the world, making the Synergy look less obtrusive with minimum impact to your home.

COMPLETE COMFORT & CONTROL

The Bespoke Synergy straight stairlift includes many features as standard, enhancing the practicality and usability for the user and household to live with.

REMOTE CONTROL

Ergonomically designed and easy to use, remote controls are supplied with the Bespoke Synergy as standard, giving the user total control of the stairlift.

COMPLETE CONTROL

Controlling the Synergy stairlift is comfortable for all users even for those with reduced dexterity.

The ergonomically designed toggle switch is available for left and right-handed people.

SAFE & SECURE

With a simple and fully adjustable seatbelt means that you will be safely held on the seat when the stairlift is in operation, giving you added peace of mind and security.

EASY ON EASY OFF

With a gentle turn of the handle, the seat turns allowing you to get on and off the Synergy with ease and confidence.

CLEAN, CLEAR & PRECISE

Compared to other stairlift manufacturers, Bespoke includes so many simple and innovative solutions as standard, giving extra value for the customer.

PADDED SEAT

The padded seat and backrest are made from high quality machine-stitched vinyl giving the user added comfort.

REMOVABLE COVERS

The vinyl padded seat is durable ensuring minimal scuffs and marks occur.

Easy to wipe down or easily zipped-off for a deeper clean.

EASY TO UNDERSTAND

With the digital diagnostic display as standard, you can easily understand the Synergy stairlift and its status with the clear, backlit text.

This means you don't need to decipher complicated digital codes, bleeps or flashing lights.

SAFETY SENSORS

The Synergy includes safety sensors and pressure plates on the footrest and carriage that will stop the stairlift if there's an obstacle on the staircase.

THE INFINITY

For fully independent living choose the
Infinity curved stairlift

Your staircase should never be
your biggest obstacle.

Negotiating the stairs shouldn't
stop you from doing the things
you want to do.

By choosing the Infinity curved
stairlift, you can continue
enjoying your home without
worry.

MISSION ACCOMPLISHED

When Bespoke Stairlifts
was formed in 2004,
our mission and vision was
to create a cost-effective,
low budget solution for
customers with curved
or complicated staircases.

TAKE BACK CONTROL OF YOUR HOME

BECOME INDEPENDENT IN YOUR HOME

With minimum assistance from others, the Infinity stairlift will keep you in good hands.

With British quality and comfort assured, a 2 year parts warranty comes as standard for added peace of mind.

COMFORTABLE **ACCESS** FOR OTHERS

The slimline twin-tube rail leaves plenty of room on the staircase for others to use.

A woman with short grey hair, wearing a pink long-sleeved top and grey trousers, is sitting on a white curved stairlift. She is smiling and looking towards the camera. The stairlift is on a carpeted staircase with a wooden handrail. The background shows a modern interior with a wooden floor and a white wall.

THE PERFECT FIT FOR ANY HOME

Every part of the Infinity curved stairlift has been designed with you in mind.

LOVING, LIVING LIFE IN COMFORT

The stitched vinyl chair, compact yet comfortable, has been designed to fit stylishly within your home and be part of the furniture and not the elephant in the room.

With easy to remove seat covers for a better clean, ensures the Infinity will always look its best.

UNSURE ON THE COLOUR?

Bespoke is one of the only stairlift manufacturers to offer alternative colours that may be more suitable for your home and it's surroundings once installed.

See page 21 for available options

PARKING THE INFINITY COULDN'T BE EASIER

The seat and footrest are easily folded up giving you more space when the Infinity isn't being used.

With a powered swivel option available, this makes the Infinity stairlift even more practical and convenient to have in your home.

SYNERGY

STRAIGHT STAIRLIFT

ONE OF THE SLIMMEST RAILS IN THE WORLD

The straight rail is made of aluminium giving the stairlift the best ride possible and without obtruding the staircase.

The legs fit to the stair treads and not the wall preventing any unsightly cracks or damage.

1 **ERGONOMIC CONTROLS**

Simple, smooth operation glides you up and down the stairs smoothly.

2 **SWIVEL SEAT**

A gentle turn of the seat handle allows the user to swivel the seat to get off onto the landing when it's safe.

3 **POWER SWITCH**

An easy flick of the switch allows the stairlift to be powered on or off.

4 **CLEVER DISPLAY**

Simple, clean and clear digital display for easily understanding the status of the stairlift.

BESPOKE STANDARDS

The Synergy and Infinity stairlifts include the following as standard.

HEALTH & HYGIENE

Bespoke Stairlifts are easy to clean, not only assisting in the health of the stairlift but also the health of the user.

We are one of the very few stairlift manufacturers to include removable covers on our stairlifts.

QUALITY MATERIALS & COMPONENTS

With a robust case, performance seat and solid mechanics, our stairlifts will look their best and operate for many years to come.

RETRACTABLE SEATBELT

Just like a car seatbelt, easy to adjust and use, giving the user the best comfort and safety possible whilst operating the stairlift.

COMFORT & CONTROL

The soft start/stop of a Bespoke Stairlifts journey on a staircase is enhanced by the complete comfort of the padded seat and backrest and simple, ergonomic controls.

2 YEAR PARTS WARRANTY
